

Amendments to the Claims:

The following listing of claims will replace all prior versions, and listings, of claims in the application:

1. (Currently Amended) An information display system, comprising:
 - a display that displays a web page;
 - an information extractor that extracts:
 - a telephone number from the displayed web page; and
 - an address from the displayed web page;
 - a comparison unit that compares an address corresponding to the extracted telephone number with the extracted address to determine if they are consistent;
 - a search unit that searches for a facility corresponding to the extracted telephone number ~~based on a result of the comparison~~, if the addresses are consistent;
 - a facility information registration unit that registers facility information for the searched facility, the information including a position of the searched facility; and
 - a facility information storage unit that stores the registered facility information.
2. (Previously Presented) The information display system according to claim 1, further comprising:
 - an information terminal including the display and a transmitter/receiver unit;and
 - a server including the information extractor, the search unit, the facility information registration unit, the facility information storage unit, and a transmitter/receiver unit.
3. (Previously Presented) The information display system according to claim 1, further comprising an information terminal including the display, the information extractor,

the search unit, the facility information registration unit, and the facility information storage unit.

4. (Canceled)

5. (Previously Presented) The information display system according to claim 1, wherein the facility information includes a schedule in terms of a scheduled date/time.

6. (Previously Presented) The information display system according to claim 5, wherein a notification of the facility information is given in advance.

7. (Previously Presented) The information display system according to claim 5, wherein the schedule is deleted when the scheduled date/time expires.

8. (Previously Presented) The information display system according to claim 5, wherein the schedule is updated when the scheduled date/time expires.

9-10. (Canceled)

11. (Previously Presented) The information display system according to claim 2, wherein the facility information includes a schedule in terms of a scheduled date/time.

12. (Previously Presented) The information display system according to claim 3, wherein the facility information includes a schedule in terms of a scheduled date/time.

13. (Currently Amended) The information display system according to ~~claim 4~~claim 1, wherein the facility information includes a schedule in terms of a scheduled date/time.

14. (Previously Presented) The information display system according to claim 6, wherein the schedule is deleted when the scheduled date/time expires.

15. (Previously Presented) The information display system according to claim 6, wherein the schedule is updated when the scheduled date/time expires.

16. (Previously Presented) The information display system according to claim 1, wherein a list of candidates for facilities is generated and displayed on the display when a plurality of addresses or telephone numbers of facilities are indicated on the web page.
